Beijing Airport

DAY 1

THURSDAY OCTOBER 8

Upon arrival at **Beijing** International Airport, you will be met at the gate by airport VIP staff, holding a sign with your name, who will lead you through immigration, baggage claim and customs.

Upon transferring to the hotel, you will have the remainder of the evening at leisure (no other services included this evening). (Please note that this itinerary assumes one transfer per room; additional transfers will be subject to an extra charge.) (Four Seasons Hotel – Deluxe Room)

Forbidden City

DAY 2

FRIDAY OCTOBER 9

B / L / D

Whether by force of irony or expediency, China's government has been located in the same area continuously for over six hundred years. You will walk back in time; strolling across **Tian'anmen Square**, one of the largest squares of the modern era, you will pass the Monument to the People's Heroes - - dedicated to the ravages of the hundred year long Opium War -- and finally enter the ancient epicenter of Imperial Power, the **Forbidden City**.

We arrange for special access to **Chonghuagong**, a section of the Forbidden City that is normally closed to the general public. Please note that Chonghuagong is filled with antiques and in the event that the weather is particularly rainy/humid, the authorities will not grant access.

In the afternoon, we explore **old Peking's traditional alleyways** (called *hutong*). Our visit to the Hutong Museum shows how China's revolutionary politics changed these residential areas. After, we compare these developments to the now gentrified areas by the Imperial lake; bicycle repair stalls make way for double car garages, the din of bustling crowds is appeased by the trill of birdsong and disheveled structures yield to beautifully restored exclusive courtyard homes, now once more housing the business and political leaders of China.

BEIJING

Great Wall

DAY 3

SATURDAY OCTOBER 10

B / L

Today, you will visit the **Great Wall of China**. Built to protect China from the incursions of predatory nomads, the utility and meaning of this fortification has been contested for centuries. The unprecedented scale and unexpected charm of the Great Wall may inspire you. The section that we most highly recommend is the further away, about 2.5 hours drive, but is generally considered one of the most beautiful sections of the Great Wall. Once there, you will be treated to a **private banquet on the Wall** itself (weather permitting). After lunch you will be given some time for a stroll along this most magnificent of sites.

[Dinner at Leisure]

BEIJING

Summer Palace

DAY 4

SUNDAY OCTOBER 11

B / L / D

For shoppers, Beijing's largest **open-air market** will come close to paradise. Here you will mingle with Beijingers, overseas and local art dealers as well as farmers who import goods from the countryside. This is your opportunity to buy a Ming dynasty set of the Confucianist classics for a song or else, and more likely, to buy from an astonishingly rich variety of Chinese and Tibetan cultural objects (at usually a tenth the price found in the U.S. and at often half the price found at local shops). For non-shoppers, this market can be thought of as China's largest museum of modern cultural life, where you can see, talk to and photograph a wide range of local and regional Chinese going about their daily lives and business.

Afterwards, we take a tour of the Imperial **Summer Palace**, a retreat said to have been given to the Empress Dowager Cixi in return for political favors. Whether or not you believe the popular demonization of this female leader, she certainly had taste. Her enchanting mansion, set on 700 acres of land, incorporates stunning temples, arched bridges, capacious pavilions and the world's longest covered corridor, all within a landscape crafted according to the dictates of fengshui.

Temple of Heaven

DAY 5

MONDAY OCTOBER 12

B / L / D

This morning we will visit the **Temple of Heaven** – a Confucianist complex spanning 670 acres – created for the exclusive use of the Emperor as a place to mediate affairs between God and man. Morning is a wonderful time to visit the Temple as you will see local Beijingers out doing their morning exercises.

This afternoon, you will fly to **Xi'an**, where in the evening you will enjoy a private **dumpling-making and noodle-throwing lesson** by expert chefs. (Sofitel Legend People's Grand Hotel – Superior Room)

XI'AN HANGZHOU

Terracotta Warriors

DAY 6

TUESDAY OCTOBER 13

B / L / D

Competing Chinese kingdoms were united for the first time within a Chinese empire by the virile King Zheng, of the Kingdom of Qin. Many claim that this first Imperial dynasty of “Qin” (pronounced “chin”) gives English the etymological root for the name “China”. China's first ever Emperor, known as Qinshihuangdi, designated Xi'an the capital of his rule. He arranged for an underground army to be buried in his tomb. These are the stunning **Terracotta Warriors**, which you will visit this morning.

In the early evening you will fly to **Hangzhou**, the city which Marco Polo described as the “most enchanting on earth”. (Four Seasons Hotel – Premier Room)

DAY 7

WEDNESDAY OCTOBER 14

B / L

Begin your day with a serene **taichi** session before one of China's most stunning vistas. You will engage further with the scenery by viewing Hangzhou as did Marco Polo, traveling by **private gondola** across the idyllic West Lake, encompassing its pagodas, causeways and landscaped islands.

We travel to the wooded valleys northwest of the lake known as Hangzhou's Buddhist temple district. After touring one of the loveliest of the temples, you will descend a nearby hill past **The Cliff That Flew From Afar** to marvel at over three hundred ancient Buddhist statues carved between the tenth and fourteenth centuries into the limestone rock face.

We continue with a drive through the **tea plantations** where China's most famous green tea is cultivated.

DAY 8

THURSDAY OCTOBER 15

B / L

Hangzhou has, since its Song Dynasty heyday, been a center of **Traditional Chinese Medicine** (TCM) and this remains an important aspect of the city's prosperity. Not only have the surrounding hills been important in producing the necessary herbs used for treatments, Hangzhou is also home to some of the most well established medical colleges in China. Your tour is based around the historic **Hu Qing Yu Tang pharmacy** in the heart of Hangzhou's old city. We engage an **expert** to guide you through this fully functioning pharmacy. He will provide an introduction to the basic theories that underpin the medicines you see being produced here, as well as explain how practices have adapted over time to meet modern needs.

Following lunch you will drive to **Shanghai** (approx. 3 hrs). Shanghai will take your breath away. Since the early 80's this city has been growing like no other, the Pudong waterfront becoming as emblematic of economic prowess as that of Manhattan or Hong Kong. Before dinner, you will have a chance to walk or drive along the Bund, taking in some of the loveliest buildings in the city. (Peninsula Hotel – Deluxe Riverview Room)

The afternoon will be spent discovering some of Shanghai's great shopping treasures.
